Evaluation

Course Objective:

The objective of this course is to update DDA Careerists' awareness and understanding of current activities, problems and trends in the Administration Directorate and its components.

1. Please indicate on the scale below the degree to which the course met its objective:

2. What part of the course did you find the most useful?

*The get together after class talking to everyone and learning more about our operations.*

3. What part of the course did you find the least useful?

*The evening class was the hardest. It was a little hard to listen especially after Social Hour, dinner and it was a little warm.*

4. Please describe how the course benefited you.

*Being a Lat person it was interesting to hear the main highlights of what the Agency is doing as a whole.*

5. What suggestions do you have for improving this course?

*There is only one thing that needs improving and that is the temperature control of the Conference Room. The use of fans might bring some relief during summer months.*
